Supplemental Type Certificate

This certificate reissued to replace certificate reported lost

Number ST735SO

This Certificate issued to Derlan, Inc.
2040 E. Dyer Road
Santa Ana, California 92705-5777

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Air Regulations. *Certification basis is set forth in Type Certificate Data Sheet A6WE

Original Product Type Certificate Number : A6WE

Make : McDonnell Douglas

Model : DC-9-11, -12, -13, -14, -15, -15F, -21, -31, -32, -32F, -33F, -34, -34F, -41, and -51

Description of Type Design Change: Installation of protective rigid cover over the tail cone emergency evacuation slide in accordance with data identified in American Safety Flight Systems Drawing List Report No. 1 Rev. "C", dated November 17, 1972, or later FAA approved revision, or FAA approved Derlan Inc., Drawing List Report No. 1, Rev. "H", dated March 28, 1995, or later FAA approved revision.

Limitations and Conditions: Installation of International Inflatable Model 68090 Slide per STC ST676SO or equivalent required with this STC. The approval of this change in type design applies basically to McDonnell Douglas DC-9-11, -12, -13, -14, -15, -15F, -21, -31, -32, -32F, -33F, -34, -34F, -41, and -51 only. This approval should not be extended to other airplanes of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this STC must be included in the permanent records of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : March 8, 1972

Date reissued : September 30, 1987, May 12, 1994, December 21, 1994, December 5, 2002

Date of issuance : December 4, 1972

Date amended : December 21, 1987, April 26, 1995

By direction of the Administrator
